Laser Printed Bills

The new laser printed format results in a more attractive, less expensive and easier-to-read bill.

Consumption

Current consumption is calculated by taking the current meter reading and subtracting the previous meter reading. Your consumption for the same time period last year is also shown.

Meter Readings

Meter readings from the current and previous quarters and the dates those readings were taken.

Holiday Schedule

Shows which holidays during the current year will delay your garbage and recycling pickup by one day.

Note: Bill shown is not to scale.
